RE: BIDS for 18 + 1 Wheelchair Bus

Dear Vendor,

USD 352 is seeking bids for a Wheelchair Lift School Bus.

Specifications:

- 18 passenger + 1
- 2012 or newer bus
- Maximum of 65,000 miles
- Meets all Kansas School Bus specifications and guidelines.
- Automatic Transmission
- Front and rear air conditioning

Other Information:

- You can submit multiple units for consideration.
- All bids should include Chassis and Body specification for the bus being bid so we can effectively compare price, options, mileage, years, etc.
- Bids will be due by 11:00 am on September 21, 2018 and the BOE will accept the winning bid at the September 24, 2018 regular scheduled meeting.
- Bus should be delivered to the School district within 10 days of notification of the winning bid.
- Please place "BID: 18+1 Wheelchair Bus" on the outside of the sealed envelope.
- Should include all cost associated with the vehicle + delivery

The winning bid will be decided by the Board of Education based on lowest bid but also the determination of other options in the bid and the evaluation of the overall package of price and options.

If you have any questions in regards to vehicle information that is requested please feel free to contact Superintendent Bill Biermann at 785-890-2397 or bill.biermann@usd352.org
