Dear Students and Parents

It is with great excitement that we welcome you as a member of the Goodland Junior-Senior High School community, and we look forward to working in a partnership with all of you in the upcoming school year. We know it is essential that educators, parents and students work together to create a learning environment that is safe, meaningful, challenging, and productive for everyone. Goodland Junior-Senior High School provides a number of opportunities for students to be successful both in and out of the classroom. I encourage and challenge you to explore these opportunities throughout the year and make this a memorable school year.

The primary interest of any school is to fulfill the educational needs of the students. The faculty and staff are dedicated to that purpose. We want to help you achieve educational excellence as we provide an optimal learning environment for you on a daily basis. We challenge you to fill your role as a student and take advantage of the opportunities you are afforded. As students your attitude and effort are vital keys in creating positive outcomes. I encourage you to do the best you can in making every effort to succeed. Your education truly is the cornerstone for building a successful life!

Finally, the Goodland Junior-Senior High School Student Handbook is based on USD 352 Board of Education policies. The information contained in this student-parent handbook is offered as a guide to assist us in maintaining an atmosphere conducive to learning. I encourage students and parents to read the handbook together at the start of the school year to understand the basic guidelines, expectations, and procedures. The policy and rules are in place to assist and protect students during the learning process, so understanding and cooperation are keys to that success.

I encourage and welcome everyone to have an interest in all aspects of our educational programs, please do not hesitate to call the school any time you have questions or concerns. I am looking forward to a highly successful school year at Goodland Junior-Senior High School.

Sincerely,

David Blochlinger

BUILDING HOURS: Goodland Junior/Senior High School will be open from 7:00 am until 4:00 pm. Students are not to be in the building prior to 7:00 unless they are working with a teacher. Below are the designated areas students are to be at before, during lunch, and after school.

Breakfast	
7:00 - 7:25	(Mon., Tues., Thurs., Fri)
7:40 - 8:05	(Wed.)

Before School until 7:25 bell

Any 7th-12th-grade student participating in the breakfast program should go directly to the cafeteria for breakfast. All other junior high students who arrive early need to report to the gym. All high school students not participating in the breakfast program need to be in designated areas prior to the 7:25 bell. These areas include class hallways (sitting against the wall), library, courtyard, or classroom w/teacher. **High school students are not allowed in the gym prior to school starting.**

During Lunch

During lunch all junior high students are to remain in the cafeteria while eating. At a designated time, students will be allowed to access the gym. High School students eating on campus are to remain in the cafeteria while eating. After eating their lunch, students will be allowed to leave campus or go the courtyard or library. Students are to not to be in the hallways or stairways over the lunch period.

After School

After the dismissal bell at the end of the day, students should vacate the building unless they are participating in a school activity or working with a teacher.

STUDENT ID CARDS: All 7-12 students will be issued student ID cards at the beginning of the year. These cards will be used for scanning at lunchtime, in the library, as admission to home athletic activities, and other uses. Students are responsible for their own ID cards and are not to be shared. Cost to replace lost ID cards will be the responsibility of the student. Failure to provide ID card at lunch will result in the student having to go to the back of the line.

CAR USE: "On-campus" driving between classes is prohibited. Students without an unrestricted license are reminded that **by law** they are only able to drive from home to school or work and back and should **not** drive from the campus during the school day.

Suspension of driver's license or privilege upon certain school safety violations; procedure.

(a) Whenever a student has been found in possession of a weapon, controlled substance or illegal drug at school, upon school property, or at a school- supervised activity or has engaged in behavior at school, upon school property, or at a school- supervised activity, which resulted in, or was substantially likely to have resulted in, serious bodily injury to others, the chief administrative officer of the school shall make an immediate report of the pupil's act to the appropriate law enforcement agency. Upon receipt of the report, the law enforcement agency shall investigate the matter and give written notice to the division of vehicles of the department of revenue of the act committed by the pupil. The notice shall be given to the division of vehicles by the law enforcement agency within three days, excluding holidays and weekends, after receipt of the report and shall include the pupil's name, address, date of birth, driver's license number, if available, and a description of the act committed by the pupil. Upon receipt of the notice, the division of vehicles shall suspend the student's driver's license or privilege to operate a motor vehicle on the streets and highways of this state. The duration of the suspension shall be for a period of one year. Upon expiration of the period of suspension, the student may apply to the division for return of the license. If the license has expired, the student may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the pupil's privilege to operate a motor vehicle is in effect. If the student does not have a driver's license, the student's driving privileges shall be revoked. No Kansas driver's license shall be issued to a student whose driving privileges have been revoked pursuant to this subsection for a period of one year.

PERMIT TO LEAVE THE BUILDING: *Any time a student leaves the building, he/she must check out through the attendance office and receive a blue slip. The blue slip must be presented to the attendance office upon return to the building. ***Once students are in attendance at school, they MUST check out through the office before leaving for any reason. ALL STUDENTS need parental permission to leave the building during school hours, with the exception of high school students leaving for lunch.***

VISITORS: Any visitor must be cleared by the front office at least 24 hours in advance. When a visitor enters the office, an adhesive badge stating the visitor's name, date of issuance and time will be provided. Prior to leaving the building the visitor must exit through the office and record the exit time. **THIS IS MANDATORY. WE DO NOT ALLOW FRIENDS TO ATTEND CLASSES WITH GJSHS STUDENTS.** In order to attend classes during the school day, you must be enrolled at GJSHS.

ENROLLMENT: Goodland Junior/Senior High School will operate on a 7 period day. **Each student must carry seven (7) units of credit per year unless in a special program.** A high school student may enroll as an aide when he/she is classified as a senior. Office, library, and teacher aides are by permission and must be approved by both principal and teacher.

Required Documents: Students entering Goodland Junior/Senior High School for the first time will be admitted upon

presentation of their **transcripts** from the previous school, **immunization records** and **birth certificate**. Kansas Law requires that anyone entering school for the first time in the state of Kansas must present to the school a valid copy of his/her immunization record with the following required immunizations: TDaP, Polio, MMR and a Td booster (every 10 years). If the records are not available at the time of enrollment, the student will have 90 school days to present the records or he/she will no longer be able to attend school until the records are presented as complete. If a student needs a Tetanus booster during the school year, a notification will be sent home and the student will have 30 days to comply with the request. If the Tetanus booster is not obtained by the 30-day deadline, the student will not be able to attend school until documentation of the booster is on file in the nurse's office. The student will also be required to provide a copy of his/her **Social Security Card** and birth certificate. Reasons of health and/or religious beliefs, as provided by law, are the only exceptions to these requirements.

GJHS/GHS GRADING SCALE

100 - 93 = A
93 - 90 = A-
89 - 87 = B+
86 - 83 = B
82 - 80 = B-
79 - 77 = C+
76 - 73 = C
72 - 70 = C-
69 - 67 = D+
66 - 63 = D
62 - 60 = D-
59 & below = F

GRADE POINT AVERAGE: Only those subjects outlined in the Goodland High School Enrollment Handbook will be used to compute the cumulative grade point average. Exceptions are for those students who transfer to Goodland Junior-Senior High School from another state accredited high school or students who are taking approved online courses through an accredited post-secondary school.

Classes taken from an alternative school (e.g. Goodland Learning Center) will be issued a "Pass" or "Fail" status and will not be computed in the GPA.

GPA IMPROVEMENT: With principal and counselor permission, students can improve their grade in course they have previously passed by taking the class a second time. The student may repeat the course only once for the purpose of raising the grade. When re-enrollment in a course is permitted or required, it cancels the original grade and credit of the earlier enrollment. The repeated class does NOT remove the original grade and title of the course from the permanent transcript. The original credit attempt will remain on the transcript and "R" for REPEAT will be placed before the name of the credit class. The repeated class grade will be used to figure the student's grade point average (GPA). **Repeated classes or previously passed classes, DO NOT count for KSHSAA credit and will not go toward the 5 subjects, student athletes need to pass each semester to be considered eligible. Also, any repeated courses will not be included in the calculations for valedictorian or salutatorian.**

FAILED CLASSES: If a required class is failed, students will need to visit with their counselor to plan the best time to re-enroll in the failed class and remain on schedule to graduate.

RECOVERING COURSES: In order to recover failed classes outside of the regular classroom, the classroom teacher and counselor would need to recommend that option to the Principal, who would make the final decision. The decision to allow recovering credit would include: The student's attendance record, missing/not handed in homework, academic growth and achievement, along with total effort put forward in the class.

EXTENDED LEARNING OPPORTUNITIES:

Students will have the opportunity to "recover" failed credits through an off-campus supervised, individualized, virtual learning environment. "Recovered courses" will be issued a "Pass or "Fail" status and will not be computed in the student's GPA. For Eligibility purposes, courses must be completed by the end of the semester. Students experiencing schedule conflicts will also have the opportunity to participate in an on-campus virtual learning environment.

TEACHERS AIDE:

A senior student may enroll as an aide, but they may enroll only in one non-academic (aide) credit course each semester. Only Senior students with a cumulative GPA of 3.5 will be allowed to Aide. The principal must give permission for a student to be an office aide and the teacher must give permission for a student to be a teacher aide. Teacher Aide is given .25 credits per semester. Regular attendance and tardies will be taken. This is like a job. Be on time and be there every day. Only one student aide per teacher/staff member. The office may have one student aide per hour. All student aides will be assigned to a staff member at the junior-senior high. Once all Jr/Sr High spots are filled, the counselor will check with North and West and possibly assign students to any other teachers interested in a student aide. Student aides are not to leave campus unless assigned at North or West. Students will not be allowed to aide with a relative.

INDEPENDENT STUDY COURSES: All Independent Study courses are for juniors and seniors only and must be approved by the high school principal prior to admission, this includes any courses taken over the summer either online or through a post-secondary school. In the rare case where an Independent Study course is taken for college credit, the grade recorded on the GJHS/GHS transcripts will coincide with the grade given by the college.

DUAL CREDIT CLASSES: Students may enroll in dual credit courses and receive both college credit and high school credit for the class. All expenses of the college credit courses are the responsibility of the student.

ACCELERATED LEARNING ACADEMIES/WEIGHTED COURSES: Students may have an opportunity to be accepted to various accelerated learning academies and/or take courses that are weighted. Such courses will be placed on the student's official transcript as such. However, in determining overall class rank, valedictorian, and salutatorian, all students will follow the same grading scale.

CLASS CHANGES: Students need to choose their courses carefully, keeping in mind their career goals. A student must conference with the principal and/or counselor to present sound educational justification for a requested class/schedule change. After the second week of the semester, courses may be added only with the approval of the parent, teacher, principal, and counselor. Courses may be dropped only with approval from the teacher, principal, and counselor.

REPORT CARDS: Parents are encouraged to utilize PowerSchool throughout the school year to monitor the grades of their student. Report cards will not be mailed home at the end of each grading period with the exception of the final grading period at the end of the year. If a parent is unable to monitor their student's grades on PowerSchool a hard copy can be mailed home per parent request. If questions arise, parents are urged to contact the teacher. Only semester grades are recorded on the permanent transcript. Grade Point Averages (GPA's) shall be computed on a semester basis. Cumulative credits and Cumulative GPA's are also computed at the end of each semester.

HONOR ROLL: At the conclusion of each quarter and each semester any student who has all A's and B's will be considered to be on the Honor Roll. Students with all A's will be placed on the Supreme Honor Roll. Students with all A's and B's will be placed on the Principal's Honor Roll.

RENAISSANCE PROGRAM: The mission of Renaissance for the high school is to encourage and empower students to reach their highest potential by recognizing and rewarding their daily efforts. The High School Renaissance Program, along with dedicated educators, administrators, parents, community and business partners, recognizes that a strong commitment to academics, attendance, behavior and extra-curricular activities contributes to a well-rounded education. It is our feeling that Renaissance will motivate and inspire higher student achievement while building strong bonds with the community, local businesses, parents, and each other.

Any senior who has any outstanding fee or has not turned in school issued equipment will not receive their diplomas until such matters have been taken care of. Additionally, any senior that causes physical damage to school property or bodily harm as a result of his/her actions before, during, or immediately after the graduation ceremony will not receive his/her diploma until meeting with administration.

ACADEMIC ELIGIBILITY FOR COLLEGE SPORTS

Scholarships

In order to compete in college level sports, the high school graduate must meet minimum requirements for academic eligibility. It is necessary to start preparation for meeting these requirements in the 9th grade. Requirements vary according to college size and level of competition. Most colleges are associated with one of the following categories:

1. NCAA Division I or Division II (K-State, KU, WSU, etc.)
 - a. Graduate from High School
 - b. Attain a minimum 2.3 grade point in a successfully completed core curriculum of at least 16 academic courses. This includes four years of English, three in Math, two in Natural Science, and two in Social Sciences.
 - c. Achieve a minimum sum score of 75 on the ACT college entrance exam or a 900 combined score on the verbal and math sections of the SAT.
*NCAA Div II currently requires 2.0 grade point average and sum ACT score of 68, beginning in Aug of 2018 will require 2.3 grade point and sum ACT score of 75
2. NAIA (Bethany, Ks. Wesleyan, etc.) The student must meet two of the following three requirements:
 - a. Attain a 2.0 grade point average in a successfully completed core curriculum of 14 academic courses. This includes three years of English, two in Math, two in Natural Science, and two in Social Sciences.
 - b. Achieve a composite score of 18 on the ACT college entrance exam or a 860 combined score on the Verbal and Math sections of the SAT.
 - c. Graduate in the top half of your high school class.

3. Community and Junior Colleges (Cloud County, Hutchinson Jr. College, etc.)
 - a. Graduation from an accredited high school.
 - b. Minimum of a 1.5 grade point average.

NOTE: These are minimum requirements and colleges may have additional requirements of their own.

College Visitations

Juniors are allowed one day for college visitations and Seniors are allowed three. All arrangements for career days or college interviews will be handled by the Guidance Office. Any career or college visitation must be scheduled at least three days in advance of the visit. Colleges prefer one week notice. If arrangements for a college visitation are made directly between the college and the student, appropriate permission forms should still be submitted to the guidance office in advance in order to qualify for excused attendance status.

NATIONAL HONOR SOCIETY:

Section 1: To be eligible for membership in National Honor Society (NHS), a candidate must be a member of the junior or senior class. Candidates must have been in attendance at the school the equivalent of one semester.

Section 2: Candidates must have cumulative scholastics average of 3.5 or better (on a 4.0 scale). Candidates shall then be evaluated on the basis of service, leadership, and character.

Section 3: The selection of each member to the chapter shall be by a majority vote of the Faculty Council. The Council will consist of at least 5 (five) members of the faculty.

Section 4: A description of the selection procedure will be published in the school handbook. The selection policies shall be consistent with the National Honor Society Rules and Regulations.

SELECTION PROCEDURE:

- Upon receiving first semester grades, all juniors and seniors who have a cumulative GPA of 3.5 or better are given an application form.
- -The student must submit the completed application form to the NHS sponsor in order initiate the selection process.
- -Candidates are judged on **leadership, community service, and character**. The application form allows students to describe those qualities in themselves.
- -Upon the student's submission of the application form, an interview is scheduled with the Faculty Council. The interview process, while a part of the application, is not the deciding factor in the selection process.
- -Faculty members are invited to provide written input regarding the student's character and leadership.
- -The Faculty Council will vote by ballot after the interview.
- -Students will be notified the next school day following the completion of all interviews their status regarding their acceptance into National Honor Society.

HIGH SCHOOL SEMESTER TESTING PROCEDURES:

1. Mandatory finals will take place for all high school classes on the last two regular scheduled days of each semester. All Students are expected to be in attendance and take finals.
2. Each student is responsible for being to class on time for final tests. Failure to do so will result in grade reduction. All students will report for each final test session.
3. Students are required to remain in the classroom until the testing session is complete.
4. The campus will remain closed until lunchtime. Students are expected to respond in a mature manner and are to observe school regulations during this time. There will be NO LOITERING in the halls.
5. There will be extended time between each class period to prepare for the next class.
6. Students must have their lockers cleaned out and iPads checked in before they leave on their last day. Lockers can be cleaned out BEFORE TEST DAYS to avoid being in the halls. All decorations are to be removed.

BACK PACKS: Backpacks or string bags may be brought into the classroom.

OUTSIDE FOOD AND DRINK:

In accordance with state law KSA 72-5128, USD 352 has established a school wellness policy. As part of that policy restaurant brand name food items, unless provided by nutrition services, in combination with a balanced meal, will not be allowed in the high school building. This includes but is not limited to fast foods, commercial pizza, store bought food (chips, doughnuts, candy bars) and restaurant to go meals. Carbonated drinks (pop) and energy drinks (Monster, Red Bull, Rock Star, etc.) are also prohibited in the building. Sack lunches from home are permitted in the cafeteria as long as they do not contain restaurant brand name food items in original packing as described above or carbonated beverages and or energy drinks. Due to sanitation and safety concerns students will not be allowed to share any food brought from home.

Students will be allowed to purchase items from the vending machines located in the building at appropriate times. GJHS/GHS staff members will ask students to discard any beverage or food item brought in to the building or classroom. Repeated violations can result in an office referral.

ACTIVITY PERIOD: The purpose of Activity Period is to provide extended opportunities for learning and to provide time for club meetings and other similar activities. The time will incorporate Silent Sustained Reading (SSR), and time for makeup work, tutoring, and homework. Teachers and students should view activity period as an opportunity to further enhance classroom instruction and learning. **Teachers should review grades and homework status individually, with each of their AP students, every Monday as there will be no club meetings.** Students will be graded on a pass/fail scale based on a point or percentage system determined by the AP teacher. Points and percentage will be based on SSR, use of class time, and expected behavior.

PROCEDURES FOR ACTIVITY PERIOD

- HS students are expected to report directly to Activity Period following 4th hour. Failure to do so will result in an unexcused tardy. Teacher may also deduct points and close student’s lunch. The first ten minutes of AP will incorporate designated activities such as SSR followed by Activity/Club meetings. **All students must finish their class in their designated AP room. Failure to check back into your AP at the end of the class, will result in one week of closed lunch. On Fridays or the last day of the school week, those students that qualify for an early lunch will be dismissed 20 minutes early.** Reading material for SSR may include the following; library books, e-books, textbooks, magazines.
- Students attending an activity/club meeting will remain in their meeting area for the entire time allocated for the meeting.
- Students may check out of Activity Period to meet with another teacher—the student must scan out/in each time they leave. Moving in an irresponsible manner will result in loss of privileges to leave Activity Period.

APPROPRIATE ACTIVITIES: Behavior expectations are the same as in any classroom. Students are to be engaged in positive educational experiences. Activity Period is focused on academic enhancement. Students will have the opportunity to obtain make-up work, missed assignments, and to attend labs.

- Other appropriate academic activities during seminar include making up tests and labs, obtaining help from individual teachers, studying, peer tutoring, or working in the library.
- Activity Period is a proper time for academic assemblies.
- Support groups and other counseling activities (enrollment activities, standardized testing, career presentations, college/military recruiting, appointments, etc.) will be held during seminar period whenever possible.
- Club meetings and pictures.
- **Individual Plans of Study**

LIBRARY RULES FOR ACTIVITY PERIOD

- Students are to use the library for research, checking out a book, taking a test, etc. It is not to be used as a

social time. Students will be sent back to class if they are not using the library as intended. Continued misuse will result in the student being barred from using the library during AP.

- Students must scan out to the library and scan in once they arrive.
- If seating capacity is reached, students will be sent back to their classroom. Notification will be sent to the classroom when a vacancy occurs and the student may go to the Library.

PROCEDURES FOR CLUB/ACTIVITY MEETINGS:

- Activity/Club meetings will begin after SSR. Club sponsors will take attendance; any student not present will be counted absent unless he/she presents a valid tardy slip or have made prior arrangements with the club sponsor.
- Students are to scan back to their AP class following their club meeting. If a student fails to return to his/her AP they will be counted as unexcused and subject to a closed lunch and “grounded” to their AP for a time determined by his/her AP teacher. Those that are leaving for early lunch still need to scan out from either their AP or club meeting location or be counted unexcused.

ATTENDANCE: One of the most important parts of a student’s permanent record is attendance. Regular and punctual attendance by all students is necessary for the proper functioning of the entire school. One of the major causes of failure in secondary school is absenteeism.

Kansas law requires compulsory attendance at school; statute 72-1111 states that “every parent or person acting as parent in the state of Kansas, who has control over or charge of any child who has reached the age of 7 and under the age of 18 and has not attained a high school diploma or GED credential, shall require such child to be regularly enrolled in and attend continuously each school year.”

Kansas Statue 72-113 discusses enforcement of compulsory school attendance, and requiring school boards to establish policy identifying excused and unexcused absences; our board has established the following for excused and unexcused absences:

Excused:

1. Illness, with a parent’s call or note, or a doctor’s note, or the school nurse: dental or clinical appointment, legal appointment, or school sponsored activity.
2. Prearranged excuses for funerals, family trips, outside organizations, or any other absence the principal gives prior approval for. These prearranged excuses are done through the principal, and only the principal can excuse these absences.
3. Severe weather that makes it impossible or impractical.

Unexcused:

1. Skipping school.
2. Non-arranged absence.
3. Leaving school without permission.
4. Absent from regularly assigned class.

TRUANCY: A student who has three (3) consecutive unexcused absences or any five (5) unexcused absences in a semester will be considered truant (USD #352 Policy JBE, JBE-R). Prior to reporting to either SRS or the county or district attorney, a letter shall be sent to the parents and/or guardians of the student notifying them that the failure of that student to attend school without a valid excuse shall result in the student being reported as not attending school as required by state statute. (USD #352 Board Policy JBE-R). The procedures of K.S.A. 72-1113 will be followed in reporting a truant student.

- Once a student reaches a point where 10 or more absences per semester are documented as excused, students will be required to attend Saturday school. When the student reaches 5 absences a formal notification will be sent home detailing the amount of absences and consequences of continued absenteeism. **Exceptions to this policy;** Any student who is hospitalized, is suffering from a long-term illness (long term illness as defined as an illness of four or more days in a row), or has a chronic medical condition while under the care of a licensed physician.
- Please call 24 hours in advance, or more, to receive principal’s prior approval for an absence, if you know your child will be missing school. We will work with you if you work with us. This helps all of us to avoid the issues of truancy as defined in school law in our state.
- **Understand that a parent phone call to excuse a student, for personal reasons, is not an excused absence.** Only the principal can excuse an absence, because law states that a child attending public school is

attending under the compulsory attendance law. They are to be at school, unless they fall under an excused absence, as stated above. The principals are also the truant officers and are bound by state law to enforce attendance and truancy law.

- Our automated calling system is activated at 8:00 am and at 1:00 pm. It will call parents who have not notified the school of their student's absence. After this call is made by our automated calling system, absences will be unexcused except for unusual circumstances. The principal will have final authority on this.

Senior Pictures/Hair Appointments

Seniors are required to have their yearbook portraits taken outside of school hours. Students are expected to schedule hair appointments outside of school hours. Exceptions to these rules will take prior administrative approval, or will be unexcused absences.

Skipping: Skipping is defined as any class period (or significant part of a school day) that a student has missed after the student has arrived at school and/or willingly does not attend class. Any student found to be skipping will be inexcusably absent unless excused by the principal or designee.

Perfect Attendance: All absences including excused and unexcused count against perfect attendance when a student has missed a significant part of the school day (more than two hours, 120 minutes) during a given day. School caused absences is the only exception.

Make-Up Work: It is the student's responsibility to make-up missed assignments. It is the responsibility of the student to obtain the necessary information from his teachers with respect to making up the schoolwork assignments missed following an excused or unexcused absence.

- All class work missed due to any absence will be made up by a student within one (1) day for each day of absence, plus one (1) day. If the work is not made up, the student shall receive a "0" or "F" grade for that day. If the absence is unexcused, the teacher may, but is not required to, allow the work missed to be made up.
- School-caused absences are excused but the student is required to make up the work missed as with any excused absence.

Action: If a student's absences, either excused or unexcused, cause, in the opinion of the principal or his designee, the student's grade(s) in any class(es) to drop to failing or near failing, the student will be subject to an informal or formal hearing to determine a plan: 1) for improving his/her attendance; 2) for improving his/her grade(s) or; 3) for suspension as the situation may warrant.

The days a student is suspended or expelled shall not be counted as unexcused absences in allowing make-up work since the loss of those days have already served as the basis for a penalty for the behavior causing the suspension or expulsion.

TARDIES:

Students in academic classes are expected to be in their seats ready for class when the bell rings. Students in lab, activity, or physical education classes where this is not reasonable are expected to be in the room preparing to begin class when the bell rings. Any student not meeting these criteria is tardy.

Tardies 1st and 5th hr. will be tracked in the office. Teachers-Please do not admit a late student any hour without an admit slip. *Exception may be if a student is tardy to a class at the field house or tech building at which point teacher may notify the office.

a. Students who are 20 + minutes late to class will receive an unexcused absence for that period(s) and will not be allowed to practice in, participate in, or attend any school activity held on that day (example-dances). For every 5 unexcused absences as a result of being tardy, 1 unexcused absence will be counted towards the compulsory attendance requirements. Additional action may be taken by teacher/administration.

b. Students will be given two warnings prior to punitive action for being tardy to class. The third tardy will result in a detention with the teacher at the teacher's discretion. The further consequences for this irresponsible behavior will result in the following action.

Tardy Policy:

(3rd tardy)- Upon a student receiving his/her third tardy a 15 minute detention will be served with the office.

(5th tardy)- Upon a student receiving his/her fifth tardy a 30 min. detention will be served with the office before or after school.

(7th tardy)- Upon the student receiving his/her seventh tardy student will serve closed lunch with parent notification

(9th tardy)- Upon the student receiving his/her ninth tardy, student will be placed in ISS for ½ day with parent notification.
(10th tardy) – Upon the student receiving his/her tenth tardy, student will come to SATURDAY school with parent notification.

ELIGIBILITY - INELIGIBILITY:

Goodland Junior/Senior High School follows the KSHSAA Rule 13 semester eligibility guidelines of having to have passed at least five new subjects (those not previously passed) of unit weight in the previous semester to be eligible.

GJSHS also uses a weekly eligibility policy that begins following the first two weeks after the start of each semester. Grades will be pulled on Monday every week. If school is not in session on Monday, grades will be pulled on the first day of the school week.

All grades pulled for eligibility reasons will be semester grades.

PROBATION—Any student who is failing one class will receive a two-week probation period to get that grade up. If the student is still failing after two weeks of probation, the student will be placed on the ineligible list.

INELIGIBLE—Any student who is failing more than one class or has failed one class for more than two weeks.

ASP—Any student who is on the probation or ineligible list is required to make ASP three times during the week. If a person who is on the probation list does not get the required ASP attendance of three times, he/she will be placed on the ineligible list.

Any student on the INELIGIBLE list will not be able to attend any extra-curricular activities unless the activity is required for a class or they are a member that the coach/sponsor requires attendance. Example: A student who is a member of the basketball team can go to the home basketball game if required by a coach but will not be allowed to go to the Snoball dance after the game.

All students on the ineligible list will not be allowed to go to meetings or leave their assigned AP classroom unless they are going to get assistance from the class in which they are failing.

Failure to attend the required three ASPs will result in closed lunches the next week.

Each student who is ineligible will be notified via email every Monday or the first day of the school week by 11:00 a.m. All students are required to check their email before lunch for eligibility.

Assisted Studies Program (ASP) Guidelines

1. ASP times are 6:45-7:15 a.m. Mon, Tues, Thurs, Fri. and 3:05-3:35 p.m. Monday-Thursday. Wednesday morning ASP will be from 7:15-7:45 a.m. Location of ASP will be in the morning bulletin each day, it is the student's responsibility to determine where ASP is located and be on time!
2. Students must print their name and time when they come into ASP and they must sign their name and time when they leave ASP. This will ensure credit for attendance.
3. Any Student who is later than 5 minutes will only receive ½ credit for ASP attendance unless they are with another teacher or administrator and bring a note verifying as such.
4. Any student who leaves ASP early will only receive ½ credit for ASP attendance.
5. Work/assignments done in ASP must be for one of your failing classes. Only if you are caught up and passing the failing class can you bring other assignments to work on.
6. Enter the ASP room with materials/work/assignments to work on. Be prepared because you will not be allowed to return to your locker.
7. If a student needs to go work in another teacher's classroom, communication will be made between the classroom teacher and ASP teacher to ensure where the student will be going.
8. Listening to music, as well as food and drink in the classroom will be at the discretion of the ASP teacher.
9. No CELL PHONES will be allowed in the classroom during ASP.
10. In order for a student to remain eligible, he/she must have all ASP time served by Friday a.m. of the current week or immediately become ineligible through Saturday of the following week.
11. ASP can be assigned to any student by teacher or administrator for failing work and/or insufficient use of class time.

Failure to attend ASP for any student may result in ISS or Saturday School.

SCHOOL DRESS CODE: Clothes worn to school should emphasize that a girl is a lady and a boy is a gentleman. Appropriate grooming and manner is expected in all dress. Students will be asked to change inappropriate clothing to appropriate clothing, which may be provided by the school.

If a student's dress or appearance is a distraction to the educational climate of the classroom or school, the school will assume its delegated authority to protect its intended purpose as an educational institution. The final decision on appropriateness of dress or grooming rests with the principal or principal's designee. Clothing with suggestive and obscene material, or that advertises alcohol or tobacco products, is **NOT** appropriate dress. The body must be sufficiently covered to insure modesty—e.g. strapless shirts/blouses, halter tops, narrow-straps, bare midriffs, and see-through clothing, are not acceptable dress. Hats, caps, bandanas or other headgear are not to be worn in the school building during regular school hours. **Any hat brought in the building must go directly to the student's locker. Hats will not be carried from class to class. After one warning, the hat will be confiscated and kept in the office until the last day of the school year.** For safe identity reasons, no one is to wear his/her hood up or sunglasses in the school buildings. Long, heavy chains or other similar items are prohibited. The length for shorts, skirts, and/or slits in skirts must be in good taste. All clothes are to be worn as designed and for the purpose designed.

Sagging: Students are not allowed to sag their pants in any USD 352 school building, on school property, or at any school events. Pants must be worn at the hips or above and must stay up without the aid of a belt or must be worn with a belt. Oversized or loose fitting clothing will not be allowed. Any student with sagging or baggy pants or oversized or loose fitting clothing will be provided with a belt by the school and will be worn to keep the pants at hip level.

POLICY ON GANG ACTIVITY: Gang activity of any kind will not be tolerated within USD 352. The purpose of this policy is to provide for the safety and welfare of all students and staff and to maintain effective security within all school building and welfare of all students and at all school events. A "Gang" shall be defined for this policy as any group of two or more persons whose purpose includes threats of violence or intimidation, actions of violence, and/or the accessories, manner of grooming, or behavior that implies membership or affiliation with a gang. If the student's behavior dress or other attribute is in violation of these provisions, the principal or any school personnel shall request the student to make the appropriate correction. If a student refuses, the parent/guardian may be notified and asked to make the necessary correction. The principal shall take appropriate corrective and disciplinary action as necessary, as allowed by the board policy and Kansas law.

The type of dress, apparel, accessories, activities, acts, behavior, or manner of grooming displayed, reflected, or participated in by any students shall not:

1. Lead school officials to reasonably believe that the students are gang-related and would disrupt or interfere with the school environment or activity and/or educational objectives.
2. Present a physical hazard to self, students, staff, and other employees.
3. Create an atmosphere in which a student, staff, or other person's well-being is hindered by undue pressure, behavior, intimidation, overt gesture (hand signals), threat of violence, initiation, or hazing.
4. Imply gang membership or affiliation by written communication, marks, drawings, painting design, or emblem upon any school building, any personal property, or on one's person.

DRESS GUIDELINES RELATED TO USD 352 GANG POLICY: The presence of any apparel, jewelry, accessories, or manner of grooming which, by virtue of its color, arrangement, trademark, symbol, or any other attribute which implies membership or affiliation with a gang is prohibited.

- Any student wearing or carrying gang paraphernalia or symbols, or making gestures that symbolize gang membership, will either be requested by school staff members to make the necessary changes, or will be referred to the principal. The student's parent/guardian will be contacted, and the student may be sent home if necessary.
- Documentation will be made of any of the identified violations of this policy, and parents will receive a parental notification letter within 5 working days of said violations.
- School officials will be made available to discuss the circumstances surrounding the development of a plan of action, letter of understanding, etc.
- Further consequences for gang-related activity may be long-term suspension.
- Students are not allowed to sag their pants in any USD #352 school building, on school property, or at any school events. Pants must be worn at the hips or above and must stay up without the aid of a belt or must be worn with a belt. Appropriate length for shorts and skirts is required. If there is any question the student will be asked to change. While students attend classes, boxer shorts and pajama bottoms are not considered appropriate school attire.
- When representing the school, students will be provided definite instructions as to appropriate and acceptable dress and grooming.

For safety reasons there will be no chains in school.

ELECTRONIC DEVICES:

With the constant advancement and abuse in the use of electronic technology, the use of cell phones, iPods, and other electronic devices will be restricted and will not be allowed in the classroom during regular school hours. Students may use cell phones between classes and at lunchtime, and when directed to by teacher or office personnel. Violations of this policy will result in confiscation of the cell phone by a teacher or principal. It will be returned to the student or parent at the discretion of the principal.

1st offense – The student can pick up device after school and serve a 15 minute detention before or after school.

2nd offense - Device stays in the office until a parent comes to pick it up and student serves a 30 minute detention before or after school

3rd offense - Device stays in the office until a parent picks it up and student serves 1 day ISS

4th offense - Device stays in the office until a parent picks it up and student serves 2 day ISS. Upon completion of the 2 days ISS, parent, student, and principal meet to sign an agreement with future consequences determined.

SURVEILLIANCE CAMERAS: Surveillance cameras are placed in and around the building to be used by administration, and when needed, local law enforcement in determining violations of school policies.

ATHLETIC EQUIPMENT: Athletic equipment is assigned to a student with the express provision that it will be maintained in good order and if damaged through carelessness or neglect, the student will be expected to replace or repair the item damaged or lost. All school athletic equipment must be returned or paid for prior to entering into competition in the next sporting season.

LOCKERS: Students will be issued a locker assignment at enrollment. Each student is expected to use only the locker and **lock** assigned to him/her and keep in good order. The locker is the property of the Board of Education and is at all times under the control and supervision of the school administration.

SCHOOL INSURANCE: USD #352 has insurance to cover all students for catastrophic injury. Included in this plan is a K-12 All School Insurance Plan, Athletic Plan, KSHSAA Catastrophic Plan, NFSHSA Liability Plan and Lifetime Medical and Disability Option. USD #352 's insurance policy does not go into effect until the student's own insurance policy has been utilized. The school district's insurance then can be used.

NOTE: The district insurance policy may not cover all leftover expenses.

GUIDELINES FOR MEDICATION ADMINISTRATION: NO MEDICATION will be provided or dispensed at school by coaches, teachers, secretaries or other personnel. However, according to USD 352 Board of Education policy JGFGB-R,

the school may cooperate with parents in the administration of medicine when "...medication is necessary in order that the student remain in school..."

In order for the school to cooperate, the following steps must be taken:

For Physician Prescribed Medication

A form, "Request for RX Medication to be Administered During School" must be completed by a physician or dentist, signed by the parent or guardian, and on file in the school office;

1. If a medication is brought from home, it must remain in its **original** container (two original containers should be requested from the provider of a prescription item, one for home and one for school.)
2. Any medication changes will require a repeat of items No. 1 and No.2.

For Student (non prescription) Administered Medication

The form, " Permission for OTC Medication Administration" (Form C in Appendix) must be completed and signed by parent or guardian.

1. The non-prescription medication is to be brought to the office in the original container.
2. Students are to bring all medication (prescription or non-prescription) to the office when entering the school.

RIDING HOME WITH PARENTS AFTER ACTIVITIES: The coach/sponsor will have a checkout sheet that the parent can sign after the event and the student will be released to that parent. However, students are highly encouraged to ride home with the team to help built team unity. If parents want their student to ride home with another parent or a relative, they must stop by the office before the event (during school hours) and sign a release form. Signing the form releases the student to only the person named on the release form.

SUBSTITUTES: There will be times when you will be working with a substitute teacher. These teachers have a very difficult job. Please help them by being courteous and on your best behavior. **The substitute has the same authority as your regular teacher and normal student conduct is expected. APPROPRIATE BEHAVIOR IS EXPECTED BY ALL STUDENTS. ANY STUDENT NOT COMPLYING WILL BE DEALT WITH AS THE DISCIPLINE POLICY DICTATES.** You can be assured that the substitute will generalize his/her experiences at GHS. It may be their only contact with our school or community. You can help with some positive public relations by being on your best behavior.

DISCIPLINE LEVEL SYSTEM

The purpose of the student discipline level system is to hold students that are repeat offenders accountable for their actions. Only a small percent of the student body will ever be affected by this policy but the destructive effect that percentage has had on the educational process has made it necessary to draft such a policy.

- **Level ONE**: The first time a student is referred to the principal for disciplinary action **and** he/she receives a suspension, in or out of school, that person will be placed on level one status. Once a status is established it will be in effect until the end of the current school year.
- **Level TWO**: The second time a student is suspended for an offense, that student will be placed on level two.
- **Level THREE**: The third time a student is suspended, that student will be placed on level three. Level three is final probation for the student and any further problems of any kind will result in a long-term suspension, alternative placement, or expulsion hearing.
- Very few students are ever suspended for any reason but there are those that unfortunately find themselves in that predicament on a regular basis and this policy holds them accountable for their behavior. The reasons for suspension will not be considered once the student reaches level three. The line is drawn and students will not cross it for any reason.

Severe offenses can accelerate student level status at Principal's discretion

DISCIPLINE REFERRALS:

Teachers have the authority and responsibility to maintain discipline in the classroom. School discipline policies are established and consistently enforced. When a student is having a problem, the teacher may conference with the student, conference with the parent, use classroom disciplinary procedures, or refer the situation directly to the building principal. Proper documentation must accompany all referrals. Staff will also document all efforts made to correct the behaviors prior to an office referral unless the situation is an emergency. It will be considered and treated as a serious offense for a student to be sent out of the classroom. Upon being sent out of a classroom, the student will report directly to the office. As a general rule, students who are sent to the office shall not return that day to the class from which they were sent.

The Board of Education of USD #352 authorizes and directs the Principal and Assistant Principal or head teacher of any attendance center within the district to enforce the provisions of its policies. (USD #352 Board Policy JBD, JBD-R, JBE, JBE-R)

SUSPENSIONS OR EXPULSIONS: The building administrators have the right to suspend any student according to the severity of the infraction. The principal will discuss the problem with the student (and may include the instructor or staff member involved) to seek a solution to the problem. Parents may confer with the principal regarding any suspension. In instances that endanger students, school personnel, school property, etc., the principal may bypass both in-school and out-of-school suspension and recommend expulsion. Parents may ask for a hearing with the Board of Education to appeal a recommendation for expulsion.

Reasons for Suspension or Expulsion:

Students may be suspended or expelled for one or more of the following reasons:

- Willful violation of any published, adopted student conduct regulation;
- Conduct which substantially disrupts, impedes, or interferes with school operation;
- Conduct which endangers the safety or substantially impinges on or invades the rights of others;
- Conduct which constitutes the commission of a felony;
- Conduct which constitutes the commission of a misdemeanor;
- Disobedience of an order of a school authority if the disobedience results in disorder, disruption or interference with school operation; and
- Possession of a weapon at school, on school property or at a school- sponsored event.

Students may be suspended from class or school and may receive a suspension for unacceptable or repeated disruptive behavior. It can be an in-school (ISS) or out-of-school suspension (OSS). On an in-school suspension,

students report to the office at the beginning of the day and are isolated in a room alone to work on assignments provided by the classroom teacher. On an out-of-school suspension the student must meet with the principal before returning to classes. **During OSS, the student is NOT allowed on school property or to attend school-sponsored activities.** Students will be permitted to make up work. If work is not completed in accordance with the timeline set forth in the make-up policy, students will be issued a zero for the coursework missed. This policy conforms with USD 352 policies JDD, and JDD-R, concerning student behavior.

During the day of ISS, the student **WILL NOT BE ALLOWED TO PRACTICE/PARTICIPATE IN OR ATTEND** extracurricular activity until the suspension has been served.

In-School Suspension Rules:

1. All school rules apply.
2. The student is not to leave the room during the day except to use the restroom.
3. Students will be allowed to complete schoolwork during the ISS time.
4. Sleeping is prohibited.
5. ISS students are to have NO VISITORS
6. The student must purchase a lunch tray from the school cafeteria. The student and teacher will eat together in the cafeteria.
7. No food or beverages are allowed in ISS.
8. Cell phones are to be retained by administration during the school day while in ISS.

SATURDAY SCHOOL

The goal of U.S.D. #352 is to provide Goodland students with a program titled Saturday School that will serve to modify inappropriate student behavior and give an alternative to short term out-of-school suspension. Saturday School is also used for students to make up time due to excessive and/or unexcused absences. Student assignment to Saturday School will be made by the administration. Parents of the student will be informed of a student's assignment, and if possible, a notification letter will be sent through the mail.

The second unexcused absence will result in a three-day in-school suspension with the remaining time to be served. A third violation will result in a three-day out-of-school suspension. The next violation is a five-day out-of-school suspension. Complete refusal to serve assigned Saturday School may result in expulsion

Hazing/Harassment/Intimidation/Bullying/Menacing Policy

USD 352 is committed to providing a positive and productive learning and working environment. Hazing, harassment, intimidation, menacing or bullying (includes cyber-bullying) by students, staff or third parties is strictly prohibited and shall not be tolerated on school property, in school vehicles, or at school sponsored activities.

Bullying by Definition

The term “bullying” is many times misinterpreted within the setting of our schools. All conflict between students must not be interpreted as bullying. However, in the case that bullying is taking place, it will be handled strictly, thoroughly and quickly by administration in accordance with USD 352 policy.

GJHS/GHS policy defines “bullying” as the activity of repeated aggressive behavior intended to hurt another person or persons, physically, mentally, or verbally. Conflict engagement between students must meet all of the following 4 criteria to be considered bullying.

- Intentional Unwanted Aggressive Behavior
- Repeated Behavior
- Must involve a Perceived or Real Power Imbalance
- Cause Harm or Serious Lasting Problems

In the instance that bullying is found to be taking place, it will be handled strictly, thoroughly and quickly by administration in accordance with GJHS/GHS policy.

- The “Bully” is referred to administration for consequences deemed necessary by the student handbook and all situations will be documented.
- Parents of the Bully and the victim are notified.
- The “Bully is referred to Counselors for monitoring of progress of this problem
- The victim is monitored closely by counselors

The State of Kansas has established a TOLL-FREE ANONYMOUS HOTLINE to report possible acts of school violence. That number is 1-877-626-8203.

USD 352 TRANSPORTATION

BUS SAFETY INFORMATION

Safe transportation of students to and from school and school activities is vital to the administration and transportation department of USD 352. To assist bus drivers in accomplishing this task, discipline must be maintained, and riders must follow the driver's directions and bus rules at all times.

6. Outside of ordinary conversation, classroom conduct is to be observed.

***Fighting on the bus will bring a mandatory 5-day suspension & further action as deemed necessary, placing the student on step 3.**

Disciplinary Action Overseen by Building Principal

All bus violation reports must be signed by the parent and returned to the driver prior to student's bus privileges being reinstated.

Step 1. The first report is a warning that the above-noted safety violation has taken place.

Step 2. The second report for a safety violation will bring suspension of bus riding privileges for a minimum of 2 days. The student and parent must make contact with the building principal to determine a plan to resolve the bus safety violation(s). The building principal will directly notify the transportation department of the determined consequence. Proper corrective measures must be met.

Step 3. Any additional bus safety violation reports will bring suspension of bus riding privileges for a minimum of 5 days. The student, parent, and building principal will meet to determine a plan of action to resolve the bus safety violation(s). The building principal will directly notify the transportation department of the determined consequence. Proper corrective measures must be met for transportation privileges to continue.

Step 4. A fourth write up will be an automatic suspension from all bus riding privileges for an unspecified period of time. A meeting will be set up with the student, parent, principal(s), transportation director, driver and superintendent. During this meeting an action plan will be developed and agreed upon by all parties before bus privileges will be reinstated.

06/04/09

Non-bus students will be allowed to ride the bus to another student's home for overnight stays or emergencies upon a request—written or telephone—to the building principal or bus barn personnel. The exception to this rule will be if the bus is full. If that is the case, the principal/bus barn will be unable to honor the request.

Country/Shuttle Buses are scheduled to arrive at school approximately 25 minutes before the start of school (7:05/7:45 AM) and begin loading in the afternoon at approximately 3:10 PM. Students riding the afternoon bus will be taken to Central and transferred from there.

For information about buses, call the Bus Barn (890-3011) or the Administration Office (890-2397).

The transportation staff looks forward to providing a safe and pleasant ride for all students riding district bus.

Only those athletes qualifying and attending state competition shall be pictured.

Any individual(s) who place first in state competition or who are designated as 1st Team All-State by one of the major newspapers in Kansas (Salina, Topeka, or Wichita) shall have an 8"x10" picture placed in Max Jones Field House; any individual(s) who place below first place but in a position where a medal is presented, shall have a 5"x7" picture placed in Max Jones Field House.

An 11"x14" team picture shall be placed in Max Jones Field House for any team that completes the regular season, prior to the beginning of state qualifying competition with an undefeated record. Yearly scheduled district playoff football games will be counted as part of the regular season.

VIDEOTAPING & FILMING

Parents will not be allowed to videotape school events and extracurricular activities and sell these videos or recordings for a profit. KSA 72-6214, the Family Education Rights and Privacy Act (FERPA) requires school districts to protect student privacy and confidentiality.

The videotaping of other students and the selling of the videotape to others may result in a violation of FERPA and/or federal copyright laws.

3. USING YOUR iPad AT SCHOOL

iPads are intended for use at school each day. In addition to teacher expectations for iPad use, school messages, announcements, calendars, and schedules may be accessed using the iPad. Students should bring their iPad to all classes, unless specifically instructed not to do so by their teacher. USD 352 believes strongly in technology integration as part of every student’s education in our school system. Refusal to use the iPad as part of the educational process is not an option.

- iPads Left at Home- If students leave their iPad at home, they are responsible for getting the course work completed as if their iPad were present. It is not the teacher’s responsibility to make modifications to the lesson due to a student’s lack of responsibility. If a student repeatedly leaves their iPad at home, they will be subject to appropriate disciplinary action.
- iPad Undergoing Repair- Loaner iPads may be issued to students whose machine is being repaired.
- Charging Your iPad’s Battery- iPads should be charged to full capacity each day before they are brought to school. Repeat violations will result in appropriate disciplinary action being taken.

- Sound, Music, Games, or Programs- Each student will need to have a personal iTunes account. The iTunes account will be the conduit through which apps are downloaded to the iPad. If you do not have an iTunes account already set up you can do so with a credit card or simply get an iTunes card (recommended).
- Sound must be muted at all times unless permission is obtained from the teacher.
- Appropriate music is allowed on the iPad. Ear buds/headphones may be used in the classroom based upon individual teacher approval. During passing periods, students may not use ear buds/headphones.

Printing at home will require a wireless printer, proper settings on the iPad, an eprint compatible printer and possibly an additional app or software on your home computer/printer.

4. iPads and Extra Curricular Activities

Coaches/sponsors for individual activities may limit whether or not iPads are allowed to be on buses or at particular events.

5. MANAGING YOUR FILES & SAVING YOUR WORK

5.1 Saving to the iPad/Home Directory

Students should save work to the digital storage provided by the school. It is recommended students regularly back up data. Limited storage space will be available on the iPad – data will NOT be backed up in the event an iPad has to be re-imaged or

Limited printing services will be available with the iPad. Students should talk to their teachers about the need to print and printer availability.

It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. iPad malfunctions are not an acceptable excuse for not submitting work.

6. SOFTWARE ON iPads

6.1 Originally Installed Software

- 6.1.1 The apps and operating system originally installed by USD 352 must remain on the iPad in usable condition and be easily accessible at all times. From time to time the school may add additional apps and OS upgrades.

- 6.4 Procedure for re-loading software- If technical difficulties occur, the iPad will be restored from a backup (if last sync'ed to a home personal computer) or will be re-set to factory settings in the event a home computer is not available. The school does not accept responsibility for the loss of any apps or documents deleted due to the necessity of a re-format and/or re-image.
- 6.5 Software upgrades- Upgrade versions of licensed software/apps are available from time to time. Students may be required to check in their iPads for periodic updates and syncing.

7. ACCEPTABLE USE The use of the USD 352 School District's technology resources is a privilege, not a right. The privilege of using the technology resources provided by USD 352 is not transferable or extendible by students to people or groups outside the district and terminates when a student is no longer enrolled in USD 352. This policy is provided to make all users aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources. If a person violates any of the User Terms and Conditions named in this policy, privileges may be terminated, access to the school district technology resources may be denied, and appropriate disciplinary action shall be applied. Violations may result in disciplinary action up to and including suspension and/or expulsion for students. When applicable, law enforcement agencies may be involved.
