
What is Black & Gold Booster Club?

The organization is designed to support students of Goodland Jr/Sr High School in Academics, Activities, and Athletics. The club continues to strive to increase its membership and involvement in the community. We not only support the students of Goodland Jr/Sr High School, but we work to acknowledge those that go above and beyond to represent their school in a positive manner.

We meet on the third Monday of the month from August through April in the Goodland Jr/Sr High School Library at 6 p.m..

Black and Gold Booster Club welcomes anyone who would like to join us in our efforts to support the Cowboys and Cowgirls. We thank you in advance for your contribution!
